Craft Workers Pay Update 2018 -19

GMB members whose pay is determined by the Craft JNC National Agreement ('Red Book'), have now had the opportunity to respond to the GMB consultation ballot, following the offer made by the National Employers.

The outcome of the GMB ballot was to accept the offer.

UNITE members have now concluded their ballot and have voted to reject the offer. However, UNITE's position is that in rejecting the offer, their members are not minded, at this time, to further the claim through action.

We expect employers to implement this pay increase at the earliest opportunity.

Full details of the offer can be found at:
