LOCAL GOVERNMENT & SCHOOLS PAY CLAIM 2020/21

GMB will be meeting shortly to agree the Local Government & Schools Pay Claim for 2020/21 across England, Wales & Northern Ireland. The pay claim will then be submitted to the employers by July 2019 and discussions will start on your pay.

GMB prides itself on ensuring that all members have a say on their pay. So ahead of the pay discussions we are stepping up GMB Pay Justice Campaign. Last year, GMB's Pay Pinch Campaign was decisive in busting the public sector pay cap across Local Government & Schools and helped negotiate and introduce a new pay spine with a starting rate of £9.00 from April 2019 but we want to go further.

GMB will be campaigning for a pay deal that recognises the immense contribution our members make each day across Local Government & Schools. You will be seeing more from GMB's 'Go Public' Campaign that includes campaigning for public services to be fully funded, pay justice & recognition of the contribution you make every day.

This is your opportunity to have your say on your pay. Please complete the GMB Local Government & Schools Pay Survey and return it to us as soon as possible.

Remember union strength is in its numbers so the more people who join GMB, the stronger we are to make a real difference in your work.

If you know anyone who is not a member of GMB, they can join by going to <https://www.gmb.org.uk/join-gmb>
