

VOTE, VOTE, VOTE!

Hope you are safe and well

It has been awhile since our last newsletter, but rest assured GMB have been working tirelessly supporting members during what has been a difficult and testing time over the last 15 months.

We have recently voted to elect Gary Smith as the new GMB General Secretary. You will soon be asked to vote and elect branch officers and representatives for your workplace. Not forgetting we are in the middle of pay negotiations which will also be put to a vote!

We can't function as a democratic organisation without your input. I encourage all members to get involved in whatever way you can.

CSPP meetings

Croydon Council Corporate Staff Partnership Panel (CSPP). GMB membership numbers entitles us to have 5 representatives in attendance at these meetings. At present we only fill 1 of these seats and are seeking interested members to fill the remaining 4 GMB allocated seats.

The meetings are regularly attended by other Croydon Council union representatives; Directors and Heads of Services. This is a unique opportunity to meet with the decision and policy makers of Croydon Council. Discussions are a two-way process where we as a union can bring to management attention issues of concern that have not been resolved in other forums. The council also shares information on decisions they have made and we are also in a position to question them.

Please contact the branch for more details.
