

GMB Direct Debit Contribution

Thank you for being part of GMB.

As a member of one of the UK and Ireland's biggest trade unions, you are part of something special. For over 130 years, working people have come together in our union to fight for justice and fairness.

Better pay, better terms and conditions, respect and dignity at work. We are a campaigning and organising union that focuses on what matters to our members in the workplace. We exist to Make Work Better.

Our members are our focus. We know how important it is to keep GMB membership affordable. Sound management of the union's finances has enabled us to freeze the cost of membership for the last four years. This has been the right thing to do to help GMB members during the pandemic and cost of living crisis.

Thank you for paying your membership contribution by Direct Debit. This, alongside our focus to continually improve efficiency, really helps to give you the best value for money from your GMB membership. To ensure the union can continue to keep campaigning and fighting in workplaces everywhere, we do need to make a small, below inflation increase to membership contributions.

From 1st October 2024, your Direct Debit payment will increase to **£8.48** and adjusted accordingly.

We're unable to reach you by post or email at the moment. Please visit gmb.org.uk/mygmb to set up your GMB profile, check your preferences, and access the latest news, benefits and offers. Or email directdebit@gmb.org.uk quoting your membership number which you can find in the text message you received.

Thank you again for your continued GMB membership.

If you have any questions, please contact your GMB regional office on 0208 397 8881.

Yours sincerely
