Dear Dannielle

Re: Amey pay claim 2023/2024 – dispute notice

As you are aware, I balloted our members in Elmbridge, Surrey Heath and Woking this week and last week. All three depots rejected the offer in favour of strike action, as the offer was a 'full and final offer'. The number of members rejecting at each depot varied between 96% and 98%.

In light of this being a full and final offer and, subsequently, rejected my next step is to seek approval from our Committee for a full industrial action ballot to be sent to our members' home addresses, as required by law.

I will write again, once I have received permission in the required format, outlining the opening and closing dates and a copy of the ballot papers.

Yours sincerely

A handwritten signature in black ink that reads 'Paul Grafton'.
