

Dear Colleague,

Thank you to all those who took part in the consultative ballot for industrial action.

Members have voted by 93% to proceed to a formal ballot for industrial action.

On the back of the ballot result, I have written to GLF senior management requesting a further meeting ahead of commencing the formal ballot to explore if the Trust wishes to improve the pay offer for Associate Staff 2023/24 and will keep members informed of developments.

Regards

Stuart Fegan
Senior Organiser
