

Calling all GMB members!

GMB
SOUTHERN

If you are a GMB member within an NHS or Ambulance Trust, it's time to have your say on pay!

If you haven't already voted, you can do so using the below QR Code:

Complete your ballot form by following this link with your phone

GMB welcomes this pay award as the first step towards addressing pay across the NHS but is not making any voter recommendation in this ballot as it falls short of GMB's pay claim.

A reject vote is your vote to state that you are not happy with pay award and are willing to take part in industrial action.

The ballot closes on Friday 4th October, so use your vote now!
