

Dear Colleague,

**RE: 2022 PAY UPLIFT**

**Non NJC members**

You may remember last year that members on Non NJC voted to accept a two year deal. Year one was 22% uplift for loaders and year two was 1%. Drivers received year one 2.3% and year two 2.3% and Saturday catch up days given back to all. The two year deal will be paid to you in April's pay run.

**NJC members**

I have sent Harry Oakley the signed off agreement by the Greater London Provincial Council so that your pay can be increased at a rate of 1.75% and backdated to April 1<sup>st</sup> 2021. I have requested NJC back pay be paid in the March pay run, so avoiding the National Insurance uplift in April.

Yours fraternally,

Paul Grafton
