

# GMB Sutton Newsletter

Welcome to your GMB L32 Sutton Branch September Newsletter!

We will be having an online branch meeting on the 23<sup>rd</sup> of September at 16:30 – sign up by emailing [alice.reynolds@gmb.org.uk](mailto:alice.reynolds@gmb.org.uk) to receive an invitation.

If you have any workplace issues or have any queries about returning to work don't hesitate to ask by emailing Alice and she will help by directing you to your workplace rep or assisting you herself!

## Strange times...

Right now we are living and working through something that none of us have done before. However, that does not mean that restructures, redundancies and TUPEs don't carry on.

If you hear of anything in your workplace and want some support or advice, get in touch with GMB or your GMB workplace organiser straight away.

## Vacant Positions in the Branch Committee – Elections to take place 23<sup>rd</sup> September in Online Branch Meeting

Right now there are two positions in the branch committee that require filling. Those positions are branch secretary and youth officer, both roles offer great experience and involve being active in the branch to lead our members of GMB L32 Sutton branch.

If you are interested in these roles, or just want to know what they may entail please get in touch with Alice to find out!

***To submit yourself as candidate*** for either of these roles please let Alice know.

## Covid 19 and the workplace

We will of course cover any questions during the online branch meeting on the 23<sup>rd</sup> September. The GMB website also has plenty of useful pages on safe returning to work with the Make Work Safe Hub and more. See below:
